**WHO** All Canadian Lakes members, families and members' house guests are welcome to participate. Fishermen can fish together but weigh-in is individual, so fish must be kept separate. To qualify a bullhead must be hooked and reeled in by person weighing in.

Pack all fish on ice in a cooler for bringing to the weigh-in. This is a catch and keep tournament and all fish kept will be cleaned and cooked for the participants to enjoy. (All fishermen are to bring in their fish, 9" and over regardless of number!). Those with no fish must report in also.
